

No: MNM/NOTICE/36/2020

11th December, 2020

Sub: Instructions Regarding Misuse of the Contact nos. of the Students

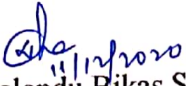

All HODs along with other teaching faculties of our college are hereby informed that they have been provided with the phone/mobile nos. of the newly admitted 1st Semester students of BA/BSc (Honours/General; Session: 2020-2021) to constitute Whatsapp groups for respective departments subject-wise (Honours-Core, GE, DSE, AECC, SEC, etc. whichever is applicable) for sharing all necessary information including schedules and links for conducting/arranging online classes and exchanging Study Materials for the benefit of the students of our college during COVID-19 pandemic.

All concerned are hereby requested to use the phone/mobile nos. of the students exclusively for the above-mentioned activities.

All are strictly forbidden to misuse these contact numbers of the students for private tuition/ coaching related purposes because such activities from the end of the teaching faculties can defame the name of our college.

The undersigned hopes all faculty members will follow this instruction properly as violation of the same will compel the college authority to adopt necessary action as per relevant rules.

This is for your information.
