The teachers are totally committed to the cause of students, motivating them to do their best in their chosen fields. The main focus of the institution is to bring about overall and holistic development so as to mould our students to be good human being by blending a right mix of curricular, co-curricular and extra- curricular activities and a right exposure to state of the art and new world of innovations in all walks of life.

I extend my best wishes to the new entrants and all senior students in reaching their objectives and goals that lead to true success in their career path and I am convinced that every student passing out from our college will leave their undefiled mark of success in whichever sphere of life they choose to work. It is my sincere wish that they spend the most memorable years of their lives in this College.

1. History of the Institution

Maharaja Nandakumar, the political acumen and great martyr of 18th Century Bengal, was the Faujdar of Hooghly and Zamindar (Land-owner) of Basudevpur Mouza, now known as Nandakumar in the district of Purba Medinipur which he got as a gift for his help as a revenue officer to Maharani of Tamluk during her troubled times. Being born in a noble Brahmin family on 1705 at Bhadrapur, Birbhum he was educated in Sanskrit and Arabic, but soon joined as a revenue officer like his father Padnava Roy under East India Company. As a robust personality his firmness and resoluteness confirmed the evil eye of East India Company, particularly Lord Warren Hastings, the then Governor General of Bengal for not supporting misdeeds for his personal gain using the chief post of The East India Company, As a result , he was mooted as a victim of a forgery case of a deed of one Bulaki Das and ultimately he was accused by the law of the British in place of the Country law particularly when the East India Company was not the supreme ruler of the Country. As justice was denied without allowing a chance of self-defense, he was sentenced to death and was hanged by the British on 5th August, 1775, at Cooli Bazar, Kolkata. The tragedy of his death still remains like a ballad in the mind of the people of Bengal.

To commemorate his death and as a long historical legacy of the region, the newly found college has been named after him as “MAHARAJA NANDAKUMAR MAHAVIDYALAYA”. It is situated at the centre of the police station of Nandakumar and is surrounded by a high academic environmental zone initially with the support and auspices of ICARE, Haldia, to cater humanistic and

scientific knowledge and to uphold the holistic approach to the people of local community in order to generate growth and prosperity of this region as a whole. The local representative of the Legislative Assembly also took initiative for the establishment of this degree college. Kalyan Sebashram Sangha, a pioneer and benevolent organization extended its support with a donation of 5.33 acre of valuable land. Finally, the approval from the Higher Education Department, Government of W.B. and the affiliation from Vidyasagar University, Medinipur, made the foundation of this Mahavidyalaya into reality on the auspicious day, the 6th August, 2007.

Though the college in its infant stage was temporarily running in a building of District Child Welfare Department, it was shifted to its own Campus on the 2nd of January, 2015, at Bhabanipur, Kalyanchak. It is now situated by the side of Digha-Howrah High Road, only two kilometer away from 117B Crossing. Hon'ble M.P, Tamluk

Parliamentary Constituency and Chairman of Haldia Development of Authority, Sri Suvendu Adhikary is gracious enough to allot grants into two phases of Rs. 2.20 Crore for the construction of the present building. At present it has become one of the leading burgeoning colleges under Vidyasagar University. Now the college has been included under Sections 2F and 12B of UGC Act. The college also has a unit of Netaji Subhas Open University which offers 7(Seven) PG course programmes. The process to get NAAC accreditation towards an all-round improvement of the college has been undertaken since then in collaboration with the IQAC, formed in 2016, and other stakeholders who have been working relentlessly to maintain the internal quality of teaching - learning and academic excellence.

7. NAAC

The National Assessment and Accreditation Council (NAAC) is an autonomous body established by the University Grants Commission (UGC) of India to assess and accredit institutions of higher education in the country. It is an outcome of the recommendations of the National Policy in Education (1986) which laid special emphasis on upholding the quality of higher education in India. To address the issues of quality, the National Policy on Education (1986) and the Plan of Action (POA-1992) advocated the establishment of an independent national accreditation body. Consequently, the NAAC was established in 1994 with its headquarters at Bangalore. Assessment and Accreditation is broadly used for understanding the “Quality Status” of an institution. In the context of Higher Education, the accreditation status indicates that the particular Higher Educational Institutions (HEI) – a College or any other recognized Unit therein, meets the standards of quality as set by the Accreditation Agency, in terms of its performance, related to the educational processes and outcomes, covering the curriculum, teaching-learning, evaluation, faculty, research, infrastructure, learning resources, organization, governance, financial well-being and student services.

7.1 Preparation of NAAC in our College

A Committee for NAAC has been properly constituted in our college under proper guidance and supervision of the Principal of the college. The entire college community is now engaged in the rigorous process of preparing Self-Study Report (SSR) on behalf of the college. All faculty members, non-teaching staff, stakeholders, members of Alumni Association and other important Cells/Committees are now taking active parts in the entire process of forthcoming NAAC visit. Here, the IQAC of the college is playing a significant role in covering and fulfilling all the norms/parameters of self-evaluation.
